## ABOUT ME

---

A versatile professional with a solid foundation in Statistics and a passion for technology. Leveraging a background in Statistics and a transition into the tech industry, I've become proficient in front-end development. Skilled in HTML, CSS, Tailwind CSS, JavaScript, and React, I bring a unique blend of analytical thinking and creative problem-solving to every project. With a keen eye for detail and a commitment to delivering exceptional user experiences, I thrive in collaborative environments where innovation and continuous learning are valued.

## EDUCATION

---

### Bachelor of Science, Statistics

October 2015 – November 2019

University of Benin, Benin City, Edo State.

## PROFESSIONAL EXPERIENCE

---

ProAdvisors Nigeria

February 2024 – March 2024

Lagos, Nigeria

*Front-End Developer (Contract)*

- Writing clean, efficient, and maintainable HTML, CSS, and JavaScript code to build interactive web applications, ensuring cross-browser compatibility and accessibility standards.
- Conducting thorough testing and debugging of front-end code to identify and resolve issues, ensuring optimal performance and user experience.
- Conducting thorough testing of the application, including unit testing, integration testing, and end-to-end testing, to identify and fix bugs and ensure robustness and reliability.
- Staying updated on emerging front-end technologies, best practices, and industry trends to enhance skills and contribute innovative solutions.

## PROJECTS

---

- |                         |                            |
